

Like Crazy (La Pazza Gioia)

Donatella and Beatrice reside in a psychiatric facility in Tuscany. They have very different life stories, but during educational work outside the clinic, they take a chance to flee from custody, starting an adventurous trip that will disclose their past and change their lives. Paolo Virzi's new film tells the story of the unpredictable and moving friendship that develops between the two women as they flee the mental institution in search of love and happiness in the open-air nuthouse – the world of sane people.
